It is imperative that you do this before requesting places as if you are not eligible to receive funding you will be required to pay for any sessions taken at the rates above. If you are eligible you will be provided with a code which you must provide to us to receive your free childcare places. This must be paid for in advance before a place can be allocated.

Please note that any booking made are for the whole of the Term and once confirmed cannot be amended. Subject to availability we may be able to offer more sessions should the need arise.

We would also like to come and visit you and your child at your home to introduce ourselves to the children and see the children in their own environment. This gives both staff and parents chance to answer any questions before they start in our setting. We will be in touch to arrange dates for these.

We would like the children in our Nursery to wear a school uniform in keeping with the rest of the school – this consists of a blue sweatshirt and polo shirt with the school logo.
